The **GOLD Camp** is an advanced training experience, open to all those who have **already played in competitive championships** and who want to improve their technique and refine the tactical strategies of high-level volleyball in each position. Limited places available.

At the time of registration will be requested the **sports curriculum**. Each athlete will specify his role and will be placed in his own group (spike, setter, libero and middle players). Each group will be followed by its own coach in group activities and personal technical programs.

The Camps will be directed by Manù Benelli and managed by the technical Staff of the Volley Academy Evolution made up of authoritative names in volleyball, coaches with proven experience both in high level and in the youth sectors. Each training will be supplemented by personalized video recordings and analysis.

In addition to the "Full Camp" formula, the GOLD Camp also offers the "Day Camp" formula, which allows you to carry out all the daily activities of the Camp, without overnight stay, dinner and breakfast.
